

**LEGAL NOTICES.**

NO. 18102.

OF the Board of Public Works—Kansas City, Mo., April 21, 1899.

Honorable common council of Kansas City: board of public works unanimously recommend to your honorable body that Hickory street from the south line of Eighth (9) street to the line of Ninth (9) street be paved as a bulet, the payment therefor to be made in special bills, and the board hereby designates the following kinds of material to be furnished by the owners may make selection, as provided in 2 of article IX. of the city charter, viz:—  
—and lake asphalt on concrete. To be laid as—  
—22 days. To be laid as—  
—40—

file, approved by said board October 18th, 1902, file in the office of said board.

It is further recommended, to be laid out to detail "H" of asphalt pavement, approved board of public works, 11th, 1896, and in the office of said board.

It is further recommended that the Diamond Brand Portland Cement of the Diamond Portland Cement Company, the Pittsburg (Kansas) Vitrified Brick Co. or the Commercial Portland Cement Co. as those designated, on concrete, to be laid out to detail "I" inns of brick pavement, approved board of public works, 11th, 1896, in the office of said board.

GEO. W. GRAHAM, President.  
C. F. HARESTEY, Member.  
R. M. WATSON, Member.  
T. WHITPLE, Member.  
H. W. GODFREY, Secretary.  
Board of Public Works.

**SEVENTH HICKORY STREET FROM THE SOUTH**  
To the eighth street, on the north side of the city.  
-Notice to property owners. Board of Public Works, Department of Engineering, June 29, 1909.  
The following is the list of property owners on the north side of the city, who are to be notified of the proposed improvement of the street from the south side of the city to the eighth street, on the north side of the city.

of Nine street to pave Hickory street from the south end of Ninth street to the north end of the said Ninth street as a business street.

(2) That the sidewalk between the south line of (3) street to the north line of Ninth (3) street and verged for business purposes, and this sidewalk shall be paved by the city.

(3) That it is usually recommended, that such part of said sidewalk as may be paved by the city, payment therefor to be made in special tax bills.

Therefore, be it ordained by the common council of the City of St. Louis:

Section 1. That Hickory street from the south end of Ninth street to the north end of Ninth street shall be paved to the full width thereof, and all sidewalks or legally established rights-of-way of the square bounded by the said street; railways company, operating passenger railways upon and across said part of Hickory street.

Sec. 2. In accordance with the provisions of Article IX of the constitution of the State of Missouri hereby directed that this ordinance, when published in the official gazette of the city, and after due notice of the city printing, and within ten days after this ordinance shall have taken effect be submitted to the voters of the city.

kinds of material designated by said board, such selection be not made within such time as may be required by public health officials with which said part of said street shall be adjacent.

A. With the board of public works has designated the following as materials from which the city engineer caused to be selected the material with which said part of said street to be paved:

(a) Laid asphalt on concrete, to be laid according to detail "I" (see) of pavement approved by said board.

(b) Laid asphalt or gravel or any other as equally as good as those designated, on concrete to be laid according to detail -- of asphalt pavement approved by said board.

(c) Laid concrete or stone or gravel on a base of sand to be laid according to detail -- of asphalt pavement, approved by said board August 11, 1896, and on file in the office of said board.

(d) Laid concrete or stone or gravel on a base of sand as manufactured by the Diamond Portland Cement Company of St. Louis, Mo., or as manufactured by the Pittsburg (Kansas) Vitreified

tion 4. The work hereinbefore specified shall be performed by the contractor, his employees, his city engineer, and shall be paid for in special lists against and upon the lands that may be owned by the contractor. The contractor shall work the common council deems necessary to and in accordance with the city engineer's manner, under the direction of the city engineer, and shall conform to the details of the work as directed by the designated city engineer, and also to such plans and specifications extended by the work engineer, and shall be consistent with the requirements of this ordinance. The city engineer may prepare in respect to such work.

Section 5. The contract for the work hereinbefore specified shall guarantee that the work shall be executed with such materials and in such manner as will endure without the need of any repairs for a period of not less than five years after the completion of the work. The contractor shall be responsible for the material selected and seven (7) years shall be the period of material warranty. The contractor shall be responsible for the material selection and acceptance without further compensation than that provided for in the contract for the work. The contractor shall be responsible for the work and shall be responsible for the bills are issued. The contract for said work shall be made by the city engineer.

[illegible]

and the doing of the work aforesaid shall not constitute a contract, and shall not be taken therefrom, other than by the issue of appeal bills.

All ordinances or parts of ordinances in which with this ordinance are, inasmuch as they are not with this ordinance, hereby repealed.

APPROVED AND PASSED BY THE BOARD OF SUPERVISORS OF THE CITY AND COUNTY OF SAN FRANCISCO, AT A PUBLIC HEARING HELD AND CONVENED AT THE SPEAKER LOWER HOUSE OF THE COMMON COUNCIL, AND APRIL 27, 1899.

GEO. S. GRAHAM,  
President Upper House of the Common Council.

Witness my hand and the seal of the City and County of San Francisco, this 26th day of April, 1899.

C. S. CURRY, City Clerk.

True copy.

HENRY A. WISE, City Engineer.

WITNESSE'S SALE—Whereas, P. C. Weeks, a salesman, by his certain deed of trust, dated February 1, 1898, filed for record in the office of the recorder of the County of San Francisco, at San Francisco, City, on the 24th day of March, 1899, and in said deed of trust, certain goods and chattels were conveyed to me, Thomas W. Ditty, the under-

and numbered on the recorded paid of said note, have been duly paid to the said certain promissory note in said deed described; whereas, default has been made in the payment of said promissory note, and the same remains due and unpaid, whereby the said mortgagee is hereby notified that he is, now, therefore, public notice is hereby that I, the said trustee, at the request of the said mortgagor, and owner of said real estate, of the power and authority in me vested by the said deed of trust, and the said deed and provisions of said deed of trust, proceed and will sell, the said real estate in said deed of trust described, to the highest bidder, for cash, at the south front corner of the intersection of the main highway in said county, Missouri, (said court house being in said county,) on the block of ground bounded by Missouri street, the east line of the highway and the highway in said city of Kansas City, on Thursday, the 13th day of May, 1906, at 10 o'clock in the forenoon and five o'clock in the afternoon of that day, for the purpose of paying said note and indebtedness by said mortgagee, and the costs and expenses of executing this trust.

[illegible]

known, State of Missouri, proceed to sell the described real estate at public vendue to the highest bidder, for cash, for the purpose of paying the balance still due on said note and the cost of foreclosure.

J. W. JENKINS, Trustee.
